

*EMBASSY OF THE UNITED STATES OF AMERICA SEOUL*

**ACKNOWLEDGMENT OF HEALTH PROBLEM(S) OF ADOPTED CHILD**

If an adopted child has any kind of health problem (disability or disease), however minor, the U.S. law requires that both adopting parents sign acknowledgments that they are aware of the child's health problem and are willing to adopt the child. Faxed forms cannot be accepted. Each adoptive parent must sign his/her own acknowledgment; one parent cannot sign for another, even with a Power of Attorney.

*If this acknowledgment is not completed at the Embassy, it must be notarized.*

I, (please print name) \_\_\_\_\_, hereby state that I am aware that my child, (please print name) \_\_\_\_\_, (date of birth) \_\_\_\_\_ has the following health problem(s) and that I nevertheless have adopted/will adopt the child:
